

The Arrow Head

Your Chief

Hello, fellow Arrowmen! I hope your year had been getting off to a good start. The holiday part at Regal Hobbies was a great success, and the gamers that play there would like to get together with us again. We might do this as Camp Mitigwa, or at Regal Hobbies again. We'll go over it soon. Snowflake Pow Wow was postponed, but we'll do it at later on March 15, 2003. Remember to sign up for OA elections for other troops, we need all the help we can get. Also, Order of the Arrow Reps, you need to STRONGLY ENCOURAGE the OA members in your troop to come to the meetings. It will take one minute or less to tell them that they should be active in their chapter. With the Spring Conclave coming up, I want to see the Brotherhood conversion rate up over 30%. Those of you that aren't OA representatives, you can tell the other members in your troop about it too! Set the example for your troops, guys. They look up to you for help, they voted you in for a reason. They knew you as a leader. I'll talk to you guys later. If you have any questions, leave me a voice message. My phone number is 223-5657. Your in WWW.

The Arrow Head

We're coming up on the time of year when our members do some of their best service. In a short time, we've got the RRV Chapter Work Weekend at Camp Mitigwa (April 4 - 5), the Lodge One Day of Service (April 26), and Spring Conclave at Camp Mitigwa (May 16 - 18). In addition, there will be special weekends to rebuild the Ordeal trail from Frankel Ridge down to the ring.

The opportunities for service allow us Arrowmen to give back to those that selected us for our membership in the OA and to Camp Mitigwa. Besides the fun and fellowship that we have at these events, we provide a tremendous service to all that use Camp Mitigwa. We can all be proud when we point out to others the work that we do around camp to make it a better place.

Ordeal members need to do a work day in order to be able to qualify for Brotherhood. Your ordeal was meant to be difficult in order to test you. However, our work days are not a test as other members can tell you. We have plenty of good food, fun, fellowship, and yes, some work. Come find out what life after ordeal can be like. We really want you to come and help and then seal your bonds in Brotherhood.

Brotherhood members, we need your help at the work weekends both in body and in help getting the new Ordeal members to the events. Just because you've sealed your bond in Brotherhood, we still want you to come and help out and enjoy the fun. Talk up the events among your unit and get as many people to attend.

The Chapter and Lodge need your help at these events. I realize the Spring gets very hectic, especially if you're graduating this year. However, I don't expect you to attend all three events or even two - just one. If you can make all three, great. RRV has over 400 members, and if each member attended just one event, we would have the best turnout at each event in history. Help us make this a reality.

A final thought - Thanks to all of you who helped the RRV Chapter take home the Chapter of the Year and the only Chapter to be a Quality Chapter. It's old news, but this is the first opportunity I have to thank you in writing. No chapter has ever three-peated and we need your help once again to make history. The officers and advisors take care of some items, but the two biggest items out of our control are attendance at Lodge Events and Chapter Work Weekends and advancement from Ordeal to Brotherhood. Only you can help us achieve these goals. Be part of history.
